

## **PART II: Annotated Bibliography of Literature Focusing On Aspects of Aboriginal Child Welfare in Canada and the United States**

---

### ***Section 2: Additional References Not Annotated***

This Section provides a list of sources that are related to the topic of Aboriginal child welfare. Because of time constraints, these articles, books and/or reports were not located in time to be included for annotation in this publication. They are presented as part of this literature review as important resources which researchers may want to obtain for additional research and information purposes.
